

Janet L. Kottman

Janet L. Kottman, Senior Institutional Relationship Manager at Ascensus College Savings, promotes Missouri's 529 college savings program through employer, educational and community group channels. Janet works closely with state program administrators, human resource and payroll professionals, as well as school, community and trade association event organizers. Through these relationships she conducts seminars to educate families about the benefits of Missouri's 529 college savings plan throughout the Western half of Missouri

Prior to joining Ascensus, Janet was a Financial Management Professional with over 20 years experience in the investment industry and holds the Series 24 FINRA Securities Principal, Series 7, and Series 63 licenses. Janet has worked with clients over the past 20 years and helped these clients successfully invest millions of dollars in a range of investment products.

Ascensus College Savings is dedicated to helping families save for their child's college education. Ascensus College Savings administers the 529 college savings program for the state of Missouri. MOST-Missouri Saving for Tuition offers an easy and affordable way to start your college savings program.
